problems of human health and environment. The institute aims to accomplish its goals through the following objectives:

- ✚ Safety evaluation of chemicals used in the industry, agriculture, and everyday life.
- ✚ To study the mode of action of toxic chemicals/pollutants.
- ✚ Remedial/preventive measures to safeguard health and environment from pollutants.
- ✚ To study the occupational health hazards due to exposure to chemicals in industries, mines, agricultural fields and environment.
- ✚ To devise simple/rapid diagnostic tests for disorders caused by industrial and environmental chemicals.
- ✚ To collect, store and disseminate information on toxic chemicals.
- ✚ To develop human resource for dealing with industrial and environmental problems.
- ✚ To provide a platform to the public and entrepreneurs to address queries and concerns regarding safety/toxicity of chemicals, additives and products.

SCOPE OF AGREEMENT

This Memorandum of Understanding is signed between the Uttar Pradesh State Institute of Forensic Sciences, Lucknow as the **First Party** and as CSIR-IITR, Lucknow as the **Second Party** for following purposes:

- (i) Educational Activities.
- (ii) Research Collaboration.
- (iii) Training of Professionals from different organizations.
- (iv) Exchange of Faculties experts and Students of both institutions.
- (v) Any other field to fulfill above objectives with mutual consent of both the parties.

I. TERMS AND CONDITIONS OF COOPERATION

1. The major objective is to establish a close linkage and functional coordination between the UPSIFS and the CSIR-IITR for mutual cooperation towards the advancement of knowledge of the faculties, scholars and students.
2. UPSIFS and CSIR-IITR will provide intellectual and infrastructural support for carrying out academic research in collaboration in the areas of mutual interests. A prior approval of each research activity under such collaboration is required from the competent authorities of both the organizations. Mutually approved research projects will be executed without any financial liabilities on each other for recurring expenses. The outcomes of the studies in terms of research papers, patents, products, etc. shall be jointly shared by the contributing individuals or institutions from both the parties.
3. UPSIFS, Lucknow and CSIR-IITR shall collaborate in mutually agreeable academic events, teaching, training, faculty exchange and research, wherever feasible. Such collaboration will be based on mutually agreeable terms and conditions specifically agreed for each of collaborative efforts.
4. UPSIFS, Lucknow and CSIR-IITR shall offer full time regular as well as optional or credit courses to the Under-Graduate and Post-Graduate degree courses offered at these institutions from time to time on mutually agreeable terms and conditions.
5. UPSIFS and CSIR-IITR will encourage and provide facilities to faculty members of CSIR-IITR and scientists or experts of UPSIFS to explore and prepare joint proposals on thrust areas for funding. The technical activities and grant sharing between UPSIFS and CSIR-IITR shall be mutually agreed while submitting such proposals to funding agencies. The outcomes of the joint research in terms of research papers, patents, products, etc. will be jointly shared by both the organizations.
6. The Ph.D. candidates in interdisciplinary areas of research involving Forensic Sciences, law and other sciences from the UPSIFS, Lucknow may work under the joint supervision of the faculty members of CSIR-IITR & vice-versa.

7. Faculty members from each of these institutions shall be invited for important seminars, conferences and for teaching at different levels. The financial implications shall be worked out on a case-to-case basis with mutual agreement.
8. Those modalities for a similar exchange of Researchers and Faculty Members will be laid down through mutual discussion that should be made operational for a period of five years;
9. Ph.D. scholars of both the parties may be allowed to make use of the library resources of each other and to have academic interactions with the faculties.
10. Research Scholars and Teaching Faculties of both UPSIFS, Lucknow and CSIR-IITR will explore possibility of taking up collaborative research work and also apply for funding from national and international agencies, government and other funding agencies;
11. Any financial implication emerging out of such collaborations (other than the fee of the students etc.) shall be worked out and decisions will be taken with mutual agreement/consent.

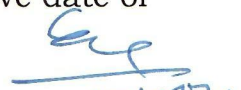

II. AREAS OF CO-OPERATION

This Memorandum expresses a mutual desire by the UPSIFS and the CSIR-IITR to co-operate in building intellectual and research capacity. Additional areas of co-operation may be added by written consent of both the parties. Both the parties will act in good faith to ensure that the objectives in this Memorandum are realized.

III. TERMS OF AGREEMENT AND TENURE

Progress in realizing the terms and conditions referred herein will be reviewed periodically as mutually agreed and the memorandum may be amended in writing at any time by mutual consent. The implementation and / or continuance of programmes or projects established pursuant to this Memorandum prior to the effective date of

termination shall not be affected by the termination of this Memorandum.

1. This Memorandum shall come into force immediately upon once signed by both the parties;
2. The validity of this Memorandum of Understanding is initially for a period of five years from the date of its execution and the same can be further extended on mutual agreement;
3. In case of any dispute arises during the execution of this MoU, the matter would be settled by mutual discussion with no liability on each party; and
4. This Memorandum of Understanding can be terminated by either of the parties by giving advance notice of SIX months to the other party and without jeopardizing the coursework or registration of any of the students of either institution.

IV. INTELLECTUAL PROPERTY AND CONFIDENTIALITY

1. In respect of each project and programme of co-operation, the parties shall negotiate and mutually agreed in writing on their respective rights to intellectual property and commercial exploitation of the same (including without limitation, trademarks and service marks, copyrights, patents, designs and confidential information pertaining thereto); and
2. Neither party shall, at any point of time, disclose any confidential information of the other party to any third party which is acquired in the course of activities under this Memorandum, a collaborative project or a programme, without the prior mutual consent of both the parties in writing.

The confidentiality obligations herein will not apply to information in the public domain; information in the possession of the receiving party prior to the disclosure of the information; information which is independently developed by the receiving party; information required to be released by law; and information which is rightfully received by the

receiving party from third parties without any breach of confidentiality obligations.

V. FUNDING AND FINANCIAL LIABILITIES

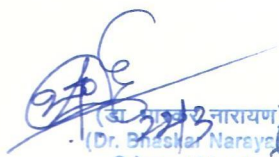

The activities carried out under MoU will be financially supported by the respective institution separately and as approved by the funding agencies guidelines in case of joint research. No party will be financially liable for any claim or interest towards the other party for any activity undertaken under this MoU. If required and consented mutually, a joint proposal may be sent to the funding agencies in India or abroad.

VI. NON-BINDING NATURE OF MEMORANDUM

Nothing in this Memorandum shall be construed as creating any contract, partnership, agency or other legal relationship between the parties. This Memorandum is only a non-binding statement of intent to foster genuine and mutually beneficial collaboration in the fields of education and research.

VIII. FORCE MAJEURE

In case of failure to perform any part of this MoU due to force majeure, the failing party may be exempted from performing its liability under this MoU to the extent of impact of such force majeure on giving prompt notice to the other party elaborating the said force majeure events. If agreed, both the parties may mutually agree to extend the duration of this MoU for the period for which the MoU could not be performed due to Force majeure. Force majeure here means occurrence of acts, events or circumstances beyond the reasonable control of the parties.
